ABVP welcomes deployment of 8 lakh AYUSH Professionals for COVID-19 duties

ABVP in its letter put forth this demand to the Hon'ble PM on 02 May 2021

Akhil Bharatiya Vidyarthi Parishad welcomes the Central Government's momentous decision to deploy nearly 8 lakh AYUSH professionals for COVID-19 duties.

It is pertinent to mention that on 02 May 2021, ABVP, in its memorandum of suggestions addressed to the Hon'ble Prime Minister, based on wide-ranging interactions with the youth and student community, had included the suggestion to deploy nearly 8 lakh practitioners of BAMS, BHMS and similar programmes for COVID-19 care and relief works. The Union Government's decision, based on ABVP's recommendation will go a long way in alleviating the stress on the nation's health infrastructure.

Nidhi Tripathi, National General Secretary, ABVP, said, "We welcome the decision of the Central Government to deploy AYUSH practitioners for COVID-19 care and relief works. The second wave of the pandemic has put medical professionals under tremendous pressure. In view of the steep rise in the number of COVID-19 cases, AYUSH medical practitioners graduating in this year should be deployed to assist with COVID-19 care efforts expeditiously."

(This Press Release has been issued from ABVP Central Office, Mumbai by Central Office Secretary Neeraj Choudharkar.)
