Mamata Responsible for Attack on Central Security Forces and Chaos in Bengal: ABVP

Akhil Bharatiya Vidyarthi Parishad (ABVP) condemns the attack on the central security forces right outside the CBI office in Kolkata. The attack by TMC goons followed after the arrest of two TMC ministers and a legislator who were being questioned in a corruption case. ABVP believes that the Chief Minister of Bengal is responsible for subverting law and order in Bengal and promoting anarchy.

TMC goons gathered outside the CBI office to protest against the arrest of Trinamool leaders, flouting all rules of lockdown and COVID Protocol. Upon being stopped by the central security forces, they attacked the forces which is extremely condemnable.

National Secretary of ABVP Shri Saptarshi Sarkar said, "The Law-and-Order situation has totally deteriorated after the announcement of election results in Bengal. Till now, the opposition party and political people were being targeted but today by attacking the security forces, TMC goons have brought out the patronage given by the state government."

National General Secretary of ABVP Sushri Nidhi Tripathi said, "The Chief Minister who turned blind eye to incidents of misconduct, murder and physical abuse of women reached CBI office to save ministers charged with corruption. On her direction, the party cadre attacked the central forces."
